Project Applicant Profile

Introduction

Welcome to the Project Applicant Profile Navigational Guide. This guide covers important information about accessing and completing the Project Applicant Profile. Throughout the year, the Applicant Profile can be updated by logging in to *e-snaps* and selecting "Applicants."

Each applicant organization is required to complete only one Applicant Profile. Organizations that have already established an Applicant Profile in *e-snaps* in prior years must review each screen and edit them as needed, ensuring that each revision is saved.

View resources for the CoC Program Competition and *e-snaps* at:

- [CoC Program Competition | HUD.gov / U.S. Department of Housing and Urban Development \(HUD\)](#)
- <https://www.hudexchange.info/programs/e-snaps/>

Overview of this Navigational Guide

The instructional steps in this navigational guide follow the progression of screens in *e-snaps*.

- **Accessing *e-snaps*.** All *e-snaps* users need usernames and passwords in order to log in to the online *e-snaps* system. In order to see an organization's Applicant Profile, Project Applications, etc., the *e-snaps* user needs to be associated as a "registrant" with the organization's account. This document identifies the steps required to create user profiles and add/delete registrants.
- **Project Applicant Profile.** The Authorized Representative must review the Applicant Profile, update the information as needed, and select the "Complete" button in order to proceed with the CoC Program Competition.

Objectives

By the end of this module, you will be able to do the following:

- Access *e-snaps*
- Complete the Project Applicant Profile

Posted Resources

HUD has determined that some CoC- and *e-snaps*-related resources need to be posted to HUD.gov as HUD's official website, rather than to the HUD Exchange, which focuses on technical resources for communities and grant recipients. CoC Program NOFO information (e.g., detailed instructions), including the *e-snaps* navigational guides, will be published and updated on HUD.gov. Many of the other CoC- and *e-snaps*-related technical resources will remain on the HUD Exchange.

Project Applicant Profile

Have a Question?

The *e-snaps* AAQ on HUD Exchange is no longer active. Questions about *e-snaps* and the CoC Program NOFO must be submitted to the appropriate HUD.gov email address, as follows:

- e-snaps@hud.gov for questions about *e-snaps* technical issues such as creating an individual user profile, lockouts/password resets, requesting access to a CoC's or Project Applicant's *e-snaps* account, navigating *e-snaps*, updating the Applicant Profile, identifying the funding opportunity, creating a project, and accessing the application on the "Submissions" screen.
- CoCNOFO@hud.gov for questions about the NOFO, competition, and application requirements.

In your email, please provide:

- The specific details regarding the issue you are encountering.
- The steps you have taken up to the point the issue occurs.
- Any error messages.

You may also want to provide a screenshot.

Project Applicant Profile

Highlights in e-snaps and the CoC Program Competition

This section highlights several items in *e-snaps* and the CoC Program Competition.

The “Project Application” and “CoC Consolidated Application.”

- The Project Application includes the information submitted on the SF-424 forms, as well as the application submitted by renewal and/or new Project Applicants for funding consideration.
- The CoC Consolidated Application consists of the CoC Application and the CoC Priority Listings. The CoC Priority Listing includes all the project listings and also contains the reallocation forms that the Collaborative Applicant will need to complete if projects are being reallocated or reduced, along with an attachment form.

Importing of Data. When the CoC Program Competition opens and project applicants are able to begin the Project Application, most Renewal Projects will be able to import data from the previous years' Project Application(s).

- If for some unforeseen circumstances data is not available from a prior year's application, the renewal applicant must create a Renewal Project Application on the “Projects” screen without importing data and then complete the entire renewal application.

Applicant field and dropdown menu. When *e-snaps* users log in to the system, they will see an "Applicant" field at the top of the screen. This field identifies the organization's account in which the user is working.

- Users with access to more than one organization's account will see a dropdown menu listing two or more organizations. This group of *e-snaps* users includes staff persons who work on multiple applications (e.g., a staff person at an agency that serves as the Collaborative Applicant as well as a Project Applicant submitting one or more Project Applications).
- This feature appears on the Applicants, Funding Opportunity, Projects, and Submissions screens. Only the items (e.g., Projects) pertaining to the Applicant listed in the field appear on the screen. *e-snaps* users must ensure they are working in the correct Applicant account.

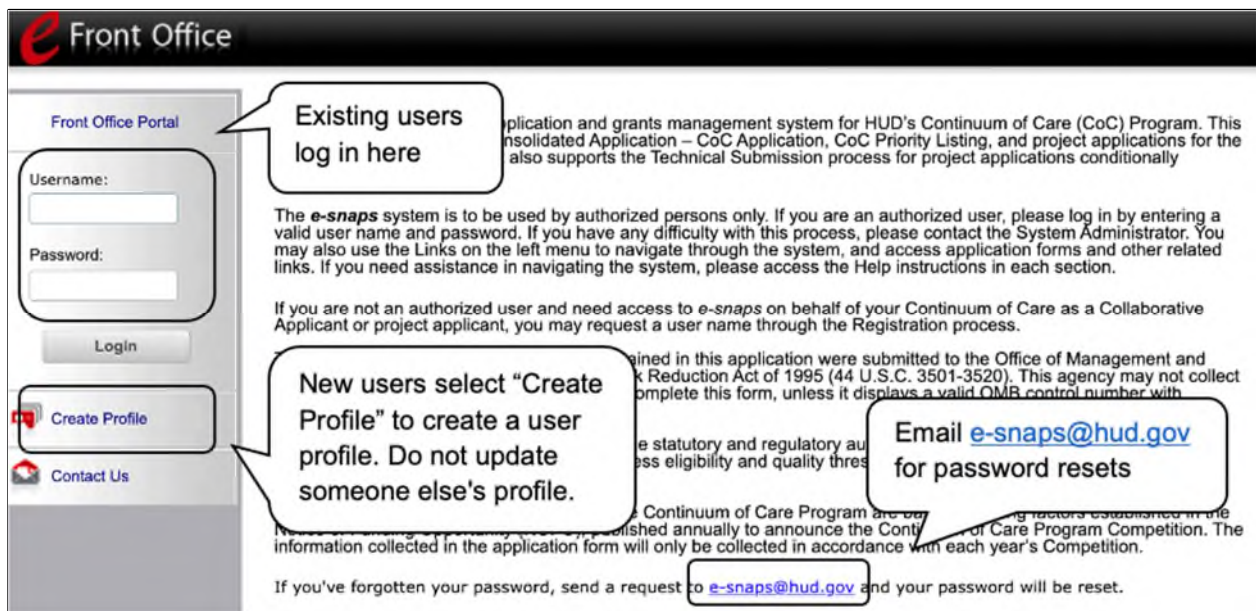

Collaborative Applicant. During the CoC Program Competition, Project Applicants will see references to the "Collaborative Applicant." The Collaborative Applicant is the entity designated by the CoC to submit the CoC Registration and CoC Consolidated Application in the CoC Program Competition on behalf of the CoC. The Collaborative Applicant is responsible for the coordination and oversight of the CoC planning efforts and has the authority to certify and submit the CoC Consolidated application. This entity is also known as the CoC Applicant.

Unified Funding Agency (UFA). During the CoC Program Competition, Project Applicants may see references to the "Unified Funding Agency." A Collaborative Applicant seeking this designation must apply during the Registration process. HUD-approved UFAs are eligible to receive planning costs and UFA Financial costs.

Project Applicant Profile

Accessing e-snaps

e-snaps contains the registration and application forms that are submitted electronically during the annual competition under the Continuum of Care (CoC) Registration Notice and Notice of Funding Opportunity (NOFO) for Homeless Assistance Programs.

The screenshot shows the 'Front Office Portal' interface. On the left, there is a navigation menu with 'Create Profile' and 'Contact Us' links. The main content area contains a login form with 'Username:' and 'Password:' fields and a 'Login' button. Below the login form, there is a 'Create Profile' button. A callout bubble points to the login form with the text: 'Existing users log in here'. Another callout bubble points to the 'Create Profile' button with the text: 'New users select "Create Profile" to create a user profile. Do not update someone else's profile.' A third callout bubble points to the email address 'e-snaps@hud.gov' in the text: 'Email e-snaps@hud.gov for password resets'. The background text includes: 'The e-snaps system is to be used by authorized persons only. If you are an authorized user, please log in by entering a valid user name and password. If you have any difficulty with this process, please contact the System Administrator. You may also use the Links on the left menu to navigate through the system, and access application forms and other related links. If you need assistance in navigating the system, please access the Help instructions in each section. If you are not an authorized user and need access to e-snaps on behalf of your Continuum of Care as a Collaborative Applicant or project applicant, you may request a user name through the Registration process. Information contained in this application were submitted to the Office of Management and Enterprise Services under the Privacy Act of 1974 (5 U.S.C. 552) and the Freedom of Information Act of 1995 (44 U.S.C. 3501-3520). This agency may not collect information from you, unless it displays a valid OMB control number with the following format: 1545-0047-0188. The e-snaps system is used to manage the Continuum of Care Program and the information collected in the application form will only be collected in accordance with each year's Competition. If you've forgotten your password, send a request to e-snaps@hud.gov and your password will be reset.'

Existing e-snaps Users

1. Go to <https://esnaps.hud.gov/>.
2. On the left menu bar, enter your username and password. You will then enter the e-snaps system and arrive at the "Welcome" screen.
3. If you forgot your password, send a password reset request to e-snaps@hud.gov. Be sure to include your username.

New e-snaps Users

1. Create an e-snaps username and password by selecting the "Create Profile" link.
2. Log in as instructed under Existing Users above.

NOTE:

Each e-snaps user must have his or her unique login credentials.

Preferably, each organization will have at least two people with access to e-snaps—the Authorized Representative and one or more additional staff.

Project Applicant Profile

Give Staff Access to Your Organization's e-snaps Account

Having a user profile enables a person to access *e-snaps*. However, only individuals who have been associated with the organization as a Registrant (also referred to as registered users) have the ability to enter information in the Applicant Profile, Project Applications, Annual Performance Reports (APRs), etc.

Anyone that currently has access to an organization's *e-snaps* account (i.e., who can see the organization's Applicant Profile, past applications, etc.) can add or remove other Registrants by following the instructions provided below.

Open	Registrants	Parent	Open	Applicant Name	Applicant Number	Number of Projects	Last Submission
				Homeless Care Council of Northwest Alabama	AL502	7	2023-09-07 11:44:37.331

Steps

1. Log in to *e-snaps*.
2. Select "Applicants" on the left menu bar.
3. On the "Applicants" screen, select the "Registrants" icon under the "Registrants" column heading.
4. The "Applicant Details" screen will appear.

NOTE:

Before anyone can be added as a Registrant in e-snaps, the individual must have an e-snaps user profile with a username and password. For more information, refer to the "Create An e-snaps User Profile" resource at:

- <https://files.hudexchange.info/resources/documents/Create-an-e-snaps-User-Profile.pdf>

Deleting an e-snaps Registrant

Deleting a Registrant will remove, or dissociate, the user from the Applicant Profile. The user will still be able to log in to *e-snaps*, but they will no longer be able to access the organization's Applicant Profile, Project Applications, etc.

The screenshot shows the Applicant Profile interface. At the top, there is a dropdown menu for the Applicant, currently set to "Saint Louis Test PDT Proj App to Link to St Louis County (MO12345)". Below this is the "Applicant Details" section, which displays the Applicant Name and Applicant Number. The main section is titled "Registrants" and contains a table with the following data:

Delete	Open	Name	User Name	Email	Group
		Doe, Johnathan	D.Johnathan	D.Johnathan@net.com	Administrator

Below the table is a "Back to List" button. Two callouts are present: one pointing to the "Delete" icon in the table header, and another pointing to the "Back to List" button.

Steps

1. Select the "Delete" icon next to the person's name.
2. Select the "Back to List" button to return to the "Applicants" screen.

Project Applicant Profile

Project Applicant Profile

Project Applicants must have a completed Applicant Profile before moving forward with the registration and application processes.

Users with an existing Applicant Profile, must review and, if necessary, update the Applicant Profile before starting the application process. The Applicant Profile must be marked as “Complete” before moving forward. For the Applicant Profile to be complete, the Project Applicant needs to ensure the data entered in the Applicant Profile is accurate and select the “Complete” button on the Submission Summary screen of the Applicant Profile. Only after doing so will a Project Applicant be able to advance successfully in *e-snaps* to the Project Application.

This section provides instructions on gaining access to the Applicant Profile and completing the forms.

NOTE:

If the organization serving as the recipient is also the CoC-designated Collaborative Applicant, the organization will have a second Applicant Profile for the CoC Collaborative Applicant.

There is a separate resource for completing the CoC Applicant Profile, entitled "CoC Applicant Profile Navigational Guide," which is available on the HUD.gov website at:

- https://www.hud.gov/program_offices/comm_planning/coc/competition

Project Applicant Profile

Establishing an Applicant Profile for a New Project Applicant (First-Time Applicants Only)

This section pertains only to those **organizations that are new to e-snaps** and need to establish an Applicant Profile for the first time.

An organization that is going to submit a Project Application for the first time, such as those that are taking over a grant from a previous organization, must establish its organization in *e-snaps*, which essentially establishes an organizational *e-snaps* account that the Applicant Profile, Project Applications, and APRs can reside.

There are a few items to note prior to establishing an organizational *e-snaps* account.

- All Project Applicants are required to have a Unique Entity Identifier (UEI) and a registration with the System for Award Management (SAM). See information in the Resource Note below.
- The Authorized Representative must establish a user profile, log in, and establish the organization as an applicant, but any registered user can enter the Applicant Profile information.
- The Authorized Representative must also complete and sign the required certifications and attachments before they can be attached in *e-snaps*.

The next two pages provide instructions on establishing the Applicant Profile for new recipients only.

NOTE:

UEI and SAM

See this resource for obtaining a UEI and registering with the SAM at:

- [*CoC and YHDP Recipient and Applicant Transition to UEI – March 29, 2022 - HUD Exchange.*](#)

The SAM website is www.sam.gov. Note that SAM is also known as System for Award Management and was previously known as CCR, Central Contractor Registration.

Working in the Applicant Profile

This section explains how to access the Applicant Profile in *e-snaps*, edit an Applicant Profile when *e-snaps* states that it is completed, and exit the Applicant Profile to return to the home *e-snaps* page.

Accessing the Applicant Profile

e-snaps users will access the Applicant Profile on the Applicants screen.

Steps

1. After logging in, select "Applicants" on the left menu bar.
2. On the "Applicant" dropdown at the top of the screen, select the Project Applicant name.
3. On the "Applicants" screen, locate the "Applicant Name" column.
 - Confirm the Applicant for which you should complete the Applicant Profile by reviewing the Applicant Number column. It should have your Project Applicant Number.
4. Select the "Open Folder" icon  next to the Applicant Name.

Project Applicant Profile

Putting the Applicant Profile in "edit-mode"

When the CoC Program Competition period opens and *e-snaps* users log in who already have a complete Applicant Profile, the Applicant Profile may be marked as complete and an "Edit" button will appear on the "Submission Summary" screen, as shown in the screenshot below.

The following steps provide guidance on how to put your Applicant Profile in edit-mode.

One of the requirements for the CoC Program Competition is the completion of the Applicant Profile. In order to meet that requirement, the "Complete" button must be selected within the timeframe of the competition period.

There are two contact information screens in the Applicant Profile:

- Authorized Representative
- Alternate Contact

NOTE:

Each organization has only one Authorized Representative who is authorized to sign documentation and the signature screens in e-snaps, as applicable.

The Authorized Representative designates an Alternative Contact who is the point of contact for all issues pertaining to the application.

The Alternative Contact is usually the person who completes the application, and the Authorized Representative reviews and signs it.

Project Applicant Profile

Authorized Representative

The Authorized Representative is the contact for the applicant organization. This person has the primary responsibility for ensuring that the Applicant Profile is kept up-to-date and Project Applications are correct when submitted to the CoC for review and consideration to be included as part of the CoC Consolidated Application. The Authorized Representative signs project application forms and assumes responsibility for the project applications and has the authority to sign legal documents such as the grant agreement if funds are awarded.

In the event the Primary Contact is unavailable, the Alternate Contact is responsible for ensuring that the Applicant Profile is kept up-to-date and the Project Application is submitted to the CoC for review and consideration to be included as part of the CoC Consolidated Application. If the Department is unable to contact the Primary Contact, the Alternate Contact will be next in line.

NOTE:

The Alternate Contact is often the person who actually completes the project application for review by the Authorized Representative.

Therefore, in the Project Application in e-snaps, on screen 1B. Legal Applicant, question f. identifying the point of contact for questions concerning the application will be pre-populated with the Alternate Contact information.

4. Additional Information

Complete the fields on the "Additional Information" screen.

The screenshot shows a web form titled "4. Additional Information". At the top left, there are instructions: "Instructions: [Show Instructions](#)" and a required field "1. Indicate applicant's congressional district(s) (for multiple selections hold CTRL and key)". Below this is a list of "Available Items" (AL-001 through AR-002) and a "Selected Items" box. Between them are four arrow buttons: a right arrow, a right arrow with a plus sign, a left arrow, and a left arrow with a plus sign. A callout box points to the right arrow button with the text "1. Select Congressional district(s)". Below the list of items are three dropdown menus for questions 2, 3, and 4. Callout boxes point to these dropdowns with the text "2—4. Select response from dropdown menus". At the bottom right, a callout box points to the "Save & Next" button with the text "5. Select 'Save & Next'". At the bottom of the form are five buttons: "Save & Back", "Save", "Save & Next", "Back", and "Next".

Steps

1. Indicate the applicant's congressional district(s) by selecting the congressional district in the "Available Items" box on the left and moving it to the "Selected Items" box on the right.
 - Use the arrow buttons to move the selected items.
2. Select "Yes" or "No" from the dropdown menu to indicate whether the applicant is a faith-based organization.
3. Select "Yes," "No," or "Not Applicable," from the dropdown menu to indicate whether the applicant has ever received a federal grant.
4. Select "Yes" or "No" from the dropdown menu to indicate whether the applicant's code of conduct is already on file with HUD. This information will be verified by HUD.
5. Select "Save and Next" to continue.

5. Forms & Attachments

There are several forms and attachment screens in the Applicant Profile. The forms attachments that appear on the left menu bar are determined by the Applicant's selection for "Organization Type" on the "Organization Information" screen. For example, Project Applicants that selected "M. Nonprofit with 501(c)(3) IRS Status (Other than Institution of Higher Education)" must include nonprofit documentation.

This is the complete list of potential forms/attachments:

- Code of Conduct
This attachment is not required to activate the "Complete" button in the Profile at this time. The CoC Code of Conduct must be listed on the HUD website at: https://www.hud.gov/program_offices/spm/gmomgmt/grantsinfo/conductgrants. If your organization is not listed in the Code of Conduct e-library, please forward an electronic copy of the Code of Conduct statement to askGMO@hud.gov.
- Nonprofit Documentation (*required, will appear only for applicants that selected option M or N for the Organization Type on the "Organization Information" screen*).
- Other Attachments
At this time, there are no other required or optional attachments.

A screenshot has been provided for each attachment screen and the accompanying attachment details screen.

NOTE:

Attachments that were uploaded to the Applicant Profile prior to the opening of the competition may not be available when e-snaps opens. If not, Project Applicants need to reattach them.

NOTE:

The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the applicant to proceed to the next step in e-snaps. In the context of this navigational guide, the Project Applicant may proceed to the next steps in the process of reviewing the Project Applicant Profile. HUD, however, may require the item prior to the awarding of program funds.

Code of Conduct

HUD must have a copy of the organization's Code of Conduct. However, an applicant that has its organization name and UEI number listed on HUD's website at https://www.hud.gov/program_offices/spm/gmomgmt/grantsinfo/conductgrants is not required to submit another copy in *e-snaps*. You may upload the Code of Conduct to document it as part of the Applicant Profile.

6. Submission Summary

Once the required information has been entered and the required attachments have been uploaded, the Project Applicant needs to select the "Complete" button on the "Submission Summary" screen.

The "Submission Summary" screen shows the Project Applicant Profile forms.

In the "Last Updated" column, the system will identify the following:

- A date if the screen is complete.
- "No Input Required" if there is no input required.
- "Please Complete" if more information is needed.

e-snaps users can go back to any screen by selecting the screen name on the left menu bar. Remember to select "Save" after any changes.

The "Complete" button is located at the bottom of the screen under the navigation buttons. The "Complete" button will be active if all parts of the Applicant Profile are complete (and have a date) or state "No Input Required."

NOTE

The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the applicant to proceed to the next step in the e-snaps system.

In the context of this navigational guide, the Project Applicant may proceed to the next steps in the Registration process.

HUD, however, may require that you submit the item prior to entering into a grant agreement if conditionally awarded.

Next Steps

After selecting the "Complete" button on the Project Applicant Profile, please go to the HUD.gov CoC Competition webpage at:

- https://www.hud.gov/program_offices/comm_planning/coc/competition

The CoC Program Competitions page on HUD.gov has additional navigational guides and resources to assist Collaborative Applicants and individual Project Applicants in completing the CoC Consolidated Application and Project Application.

Specifically, the navigational guides will assist Project Applicants in the following:

- Registering for one or more of the appropriate CoC Program Competition funding opportunities -- New, Renewal, CoC Planning, New YHDP, YHDP Renewal, YHDP Replacement, and UFA Costs, as applicable.
- Creating one or more projects in *e-snaps* for your Project Application(s).
- Submitting the Project Application(s) to the correct CoC Collaborative Applicant.

Project Applicants must proceed through each step to successfully apply for funding in the current year's CoC Program Competition.
