organization.

# Discussion Question

AI is transforming the landscape of everyday life. Many non-profits and social service agencies are beginning to utilize AI to simplify workloads. There is ever-growing skepticism and ethical concerns about the use of AI in social work. Organizations must carefully navigate the tension between leveraging data for personalized care and ensuring the privacy of clients.

How do you or your organization currently utilize AI?

Does your organization already have AI focused policies in place?

How do you envision TVCoC utilizing AI in our collective work?

## Purpose

The Continuum of Care Builds (CoCBuilds ) NOFO will add new units permanent supportive housing (PSH) for individuals and families experiencing homelessness through new construction, acquisition, or rehabilitation. The CoC Builds NOFO outlines additional CoC Program eligible activities and costs that may be included in your application. Additionally, project applicants are encouraged to leverage funds provided for construction, acquisition, or rehabilitation of new PSH units with other funding sources to maximize the amount of housing that can be directed to meeting the needs of individuals and families experiencing homelessness.

# CoC Builds

## Available Amounts:

A total of \$75,000,000 is available under this NOFO. Of this amount, \$30,000,000 is available only for CoCs that are in states with populations of fewer than 2.5 million people.

## Applications

CoC Builds applications will be submitted via [e-snaps](#), which is now open.

- Applications will be completed by the organization that will administer the funds and once submitted in *e-snaps* the application will be directed to the selected CoC for review.
- The application may include one or more subrecipients and we encourage collaboration within the CoC to maximum available funding.
- CoC Collaborative Applicant will select and submit the project application via the CoC Priority Listing in *e-snaps*.
- Number of applications permitted by CoC:
  - 1 application if there are no Tribes or Tribally Designated Housing Entities (TDHE).
  - 2 applications if the CoC includes Tribes or TDHEs where one application must be specifically for new PSH units located on Tribal reservation or trust land and one application from a non -Tribe or TDHE

# New Business:

## Individual Agency News/Updates/ Agency Successes!

# Short Film Screening

July's in -person CoC meeting will feature a short film screening of "Until We're All Home."

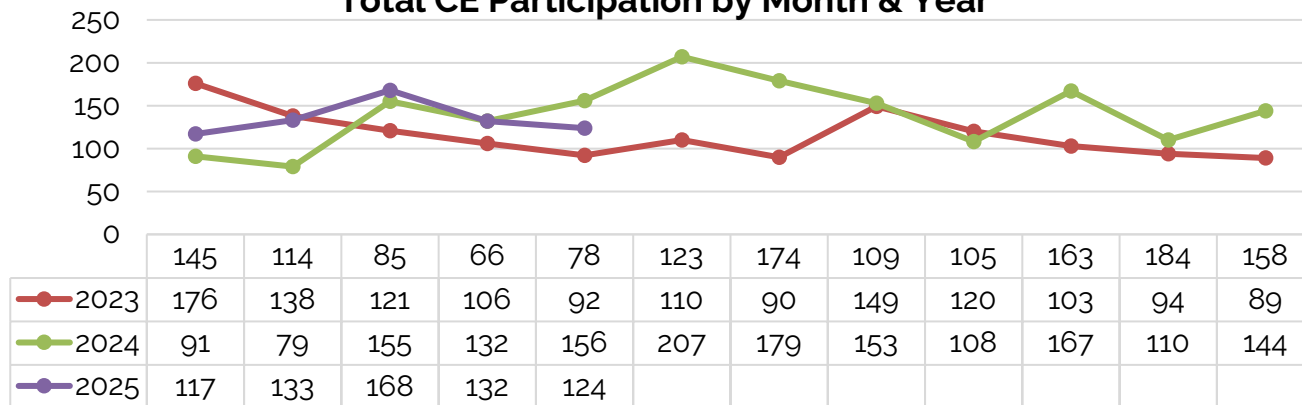

Breakfast and coffee will be provided for all attendees, along with the opportunity to network and discuss the film afterwards.

Anyone interested can attend. We will also be inviting the Knoxville/Knox County CoC.

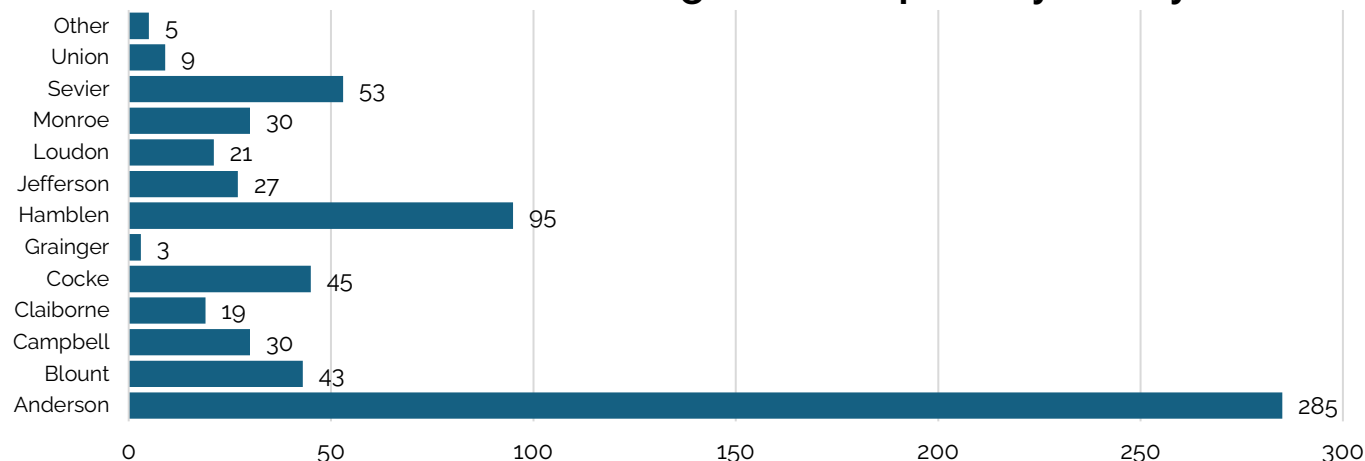

There will be a virtual option available, also.
